Fee: The Fee for subscription access to the Licensed Materials set out in the Price Quote Spreadsheet approved by the Licensee and Publisher and/or the subscription invoice, inclusive of any applicable annual maintenance fees. Any applicable taxes will be in addition to the Fee. Publisher shall be responsible only for taxes assessable to it based on Publisher's income, property and employees. 2. AGREEMENT

The Publisher agrees to grant to the Licensee the non-exclusive and non-transferable right, to give Authorized Users access to the Licensed Materials via e-IEQ website, subject to the terms and conditions of this License, and the Licensee agrees to pay the Fee.

3. ACCESS TO LICENSED CONTENT

3.1 Authorization for access to the Licensed Materials shall be based upon acceptance by the Publisher of the Licensee's completed order form and receipt of the Fee.

3.2 Access to the Licensed Materials is provided via IP address.

3.3 The Licensee may use a Secure Proxy Server to permit Authorized Users who are not walk-in users to access the Licensed Materials from places where these users perform their work or studies (such as homes, offices, halls of residence, and student dormitories). A "Secure Proxy Server" must require authentication (a person must enter a username and password that proves they are an Authorized User permitted to access the Licensed Materials remotely). Access to the site via open proxies and other non-authenticated proxy servers is prohibited.

3.4 Publisher reserves the right at its discretion to change the formats in which the Licensed Materials are published with one month notice of any such change to the Licensee.

3.5 The Publisher reserves the right to discontinue any web publication without penalty. In the event that e-IEQ is discontinued, Publisher will pay Licensee a prorated portion of the applicable subscription amount.

3.6 The Publisher reserves the right at any time to withdraw from the Licensed Materials any item or part of an item for which it no longer retains the right to publish, or which it has reasonable grounds to believe infringes copyright or is defamatory, obscene, unlawful or otherwise objectionable.

3.7 Publisher intends for the Licensed Material to be available 24-hours per day, 7 days per week. However, Publisher will not be liable for damages or refunds should the Licensed Material become unavailable temporarily or access to the Licensed Material becomes slow or incomplete due to system back-up procedures, regular maintenance, Internet traffic volume, upgrades, overload of requests to the servers, general network failures or delays, or any other cause beyond the control of Publisher (including, but not limited to force majeure events, networking problems, IP address changes) which may from time to time make the site inaccessible for Authorized Users. If the site cannot be accessed by the Licensee in conformance with the terms of this License, the Licensee shall immediately notify Publisher and Publisher shall use reasonable efforts to restore access as soon as possible. In the event that Publisher fails to repair access within 48 hours, Publisher shall make adjustments to extend the then current Subscription Term to ensure the Licensee receives the access Licensee has paid for under this License upon Licensee's request.

4. USAGE RIGHTS

4.1 The Licensee and Authorized Users may make use of the Licensed Materials as is consistent with fair use under copyright law. Nothing in this License shall be interpreted to limit in any way whatsoever Licensee's or any Authorized User's fair use rights under copyright law to use the Licensed Materials and Complimentary Resources.

4.2 Authorized Users, subject to the Prohibited Uses below, may:

4.3 Search, view, retrieve and display the Licensed Materials;

4.3.1 Print off a discrete copy of parts of the Licensed Materials on an occasional basis;

4.3.2 Distribute a copy of individual IEQ entries or portions of an IEQ entry of the Licensed Materials in print or electronic form on an occasional basis to other Authorized Users; for the avoidance of doubt, this sub-clause shall include the distribution of an article copy for teaching purposes to each individual student Authorized User in a class at the Licensee's institution;

4.3.3 Distribute in print or electronic form to a colleague, minimal, insubstantial portions of the Licensed Materials for the purposes of personal, scholarly, or scientific research and communication provided it is not for any Commercial Use and is consistent with fair use under copyright law;

4.3.4 Incorporate reasonable portions of the Licensed Materials in printed Course Packs and Electronic Reserve collections for the use of Authorized Users in the course of instruction at the Licensee's institution, but not for Commercial Use. Each such item shall carry appropriate acknowledgement of the source, listing title and author of the extract, title and author of the work, and the publisher. With Electronic Reserve, Authorized User or Licensee agrees to remove content at the end of the specific course of instruction. Course packs in non-electronic non-print perceptible

form, such as audio or Braille, may also be offered to Authorized Users who, in the reasonable opinion of the Licensee, are visually impaired;

4.3.5 Non-commercial Licensees' Authorized Users may use the Licensed Materials for text and data mining, for purely internal non-commercial research purposes, for as long as the Licensee maintains a subscription to the Licensed Materials, subject to the terms and conditions in ANNEX A below.

5. PROHIBITED USES

5.1 Neither the Licensee nor any Authorized User may, except as otherwise permitted by written permission of Publisher or by separate agreement signed by both Parties:

5.1.1 Remove, cover, obscure, or alter the authors' names or the Publisher's copyright notices, trademarks, logos, or other means of identification or disclaimers as they appear in the Licensed Materials;

5.1.2 Systematically or regularly make print or electronic copies of multiple extracts of the Licensed Materials for any purpose, except as provided in the Usage Rights section above;

5.1.5 Use articles or portions of the Licensed Materials for any Commercial Use (e.g., printing to resell or redistribute to non-paying or non-authorized users);

5.1.6 Use any automated computer program or activity to search, index, test, download, or grab information from the Licensed Materials (including but not limited to web robots, spiders, and crawlers) that has a negative impact on Publisher's Server or on the use of the Licensed Materials by others.

6. LICENSEE RESPONSIBILITIES

6.1 Licensee affirms that all IP addresses in the range registered for access are under the administrative control of the Licensee for the use of individuals who meet the Authorized Users criteria above. Publisher requires notification within 10 days when Licensee changes IP addresses from one account to another because of merger, acquisition, partnership, or spin-off.

6.2 With regard to Secure Proxy Servers, ensure that users are authenticated and restricted to Authorized Users permitted to access Licensee resources remotely.

6.3 While Licensee is not bound to monitor or enforce the specific uses of the Licensed Materials and Complimentary Resources made by Authorized Users, Licensee agrees to create and maintain reasonable security measures, and to regularly communicate policies and restrictions to ensure that only Authorized Users will access and use the Licensed Materials and Complimentary Resources in accordance with the terms of this License.

6.4 Licensee will be responsible for all costs necessary for accessing and viewing the Licensed Materials including equipment, software, phone lines, telecommunications, and Internet connections.

6.5 In the event that Licensee becomes aware of abuses of the Licensed Materials emanating from any of Licensee's locations, Licensee will notify the Publisher, and both parties will cooperate in locating and attempting to stop the specific individuals who are abusing the service. If the specific abuser(s) cannot be identified or stopped, Publisher has the right to suspend access to the affected portion of the Licensee's site. Neither Publisher nor the Licensee will be liable for any damages beyond a prorated refund for the remaining unused portion of the subscription.

7. PUBLISHER RESPONSIBILITIES

7.1 The Publisher warrants to the Licensee that the Licensed Materials used as contemplated by this License do not infringe the copyright or any other proprietary or intellectual property rights of any natural or legal person. The Publisher shall indemnify and hold the Licensee harmless from and against any liability arising out of any legal action taken against the Licensee claiming actual or alleged infringement of such rights. This indemnity shall survive the termination of this License for any reason. This indemnity shall not apply if the Licensee has amended the Licensed Materials in any way not permitted by this License.

7.2 The Publisher shall:

- 7.2.1 Make the Licensed Materials available to the Licensee from the Server during the Subscription Term;
- 7.2.2 Provide the Licensee, with information sufficient to enable the Licensee to access the Licensed Materials and Complimentary Resources;
- 7.2.3 Use reasonable endeavors to ensure that the Server has adequate capacity and bandwidth to support the usage of the Licensee at a level commensurate with the standards of availability for information services of similar scope operating via the World Wide Web; as such standards evolve from time to time over the term of this License;
- 7.3 In the event that Publisher becomes aware of abuses of the site emanating from any of Licensee's locations, Publisher will notify the Licensee and both parties will cooperate in locating and attempting to stop the specific individuals who are abusing the service. If the specific abuser(s) cannot be identified or stopped, Publisher has the right to suspend access to the affected portion of the Licensee's site. Neither Publisher nor the Licensee will be liable for any damages beyond a prorated refund for the remaining unused portion of the subscription.

8. TERM AND TERMINATION

8.1 This License shall be in effect during the Subscription Term and then continue for so long as Licensee has a current institutional subscription for the Licensed Materials or, with respect to trials, for the duration of the trial (subject to provisions for earlier termination as stated below).

8.2 In addition to automatic termination (unless renewed), this License shall be terminated by:

8.2.1 Publisher:

8.2.1.1 If the Licensee defaults in paying the Fee within the time period specified on the invoice;

8.2.1.2 If the Licensee commits a material and persistent breach of the Publisher's copyright or other intellectual property rights or of the provisions USAGE RIGHTS clause in respect of usage rights or of the PROHIBITED USES clause in respect of prohibited uses and fails to remedy the breach (if capable of remedy); within sixty (60) days of notification in writing by the Publisher.

8.2.2 Licensee:

8.2.2.1 If the Publisher commits a material or persistent breach of any term of this License and fails to remedy the breach (if capable of remedy) within sixty (60) days of notification in writing by the Licensee.

8.2.3 Either party:

8.2.3.1 If either party becomes insolvent or becomes subject to receivership, liquidation or similar external administration.

8.3 On termination of this License for cause, as specified in clause 8.2.1, the Licensee shall immediately cease to distribute or make available the Licensed Materials and Complimentary Resources to Authorized Users.

8.4 On termination of this License by the Licensee for cause, as specified in clause 8.2.2 above, the Publisher shall forthwith refund the proportion of the Fee that represents the paid but un-expired part of the Subscription Period.

9. POST TERMINATION

Except in the case of termination for cause, should the Licensee discontinue subscription to the Licensed Materials or certain electronic resources comprising the Licensed Materials, Licensee shall retain access rights to the portions of the Licensed Materials that Licensee had access to while Licensee's subscription was active and in good standing. The use of this content shall be subject to the terms and conditions of the then current operative Institutional License Agreement.

10. COPYRIGHT AND PROPRIETARY RIGHTS

Publisher holds the copyright for all works published herein, as a compilation and as to the individual articles, collectively and individually, unless otherwise expressly noted.

11. REPRESENTATION, WARRANTIES, AND INDEMNIFICATION

11.1 While Publisher makes an effort to ensure the accuracy of content posted online, Publisher does not warrant or guarantee its accuracy, completeness, merchantability, or fitness to a particular purpose. Publisher expressly disclaims any warranty that access to the Licensed Materials and Complimentary Resources online will be uninterrupted or free of errors; that defects will be corrected, or that Publisher Servers are free of viruses, worms, or other elements harmful to your computer system. In no case shall Publisher's aggregate liability for any content or accessibility problems with

the Licensed Materials and Complimentary Resources exceed the amount of subscription fees paid for the Licensed Materials during 12-month period preceding any claim or notice of damages.

11.2 Neither party shall be liable in damages or have the right to terminate this License for any delay or default in performing hereunder if such delay or default is caused by conditions beyond its control including but not limited to uncontrollable acts of nature, government restrictions (including the denial or cancellation of any export or other necessary license), wars, insurrections, and/or any other cause beyond the reasonable control of the party whose performance is affected.

12. GOVERNING LAW AND DISPUTE RESOLUTION

12.1 Each party shall use its best endeavors to safeguard the intellectual property, confidential information and proprietary rights of the other party.

12.2 Any dispute arising from, relating to or in any manner connected with this License or your use of the Licensed Materials and Complimentary Resources shall be construed under and resolved in accordance with the laws of the state of Washington, exclusive of its choice of law principles. Any such dispute shall be litigated only in the Supreme Court of the State of Washington to the personal jurisdiction of which you hereby consent. If you are outside the United States, or if you are a state institution, you further agree that the remedy for any breach of this License involving unauthorized access or other infringement of Publisher intellectual property rights shall be an award of damages equivalent to the statutory damages recoverable under the United States Copyright Act, 17 U.S.C. § 501 et seq.

13. GENERAL

13.1 This License constitutes the entire agreement of the parties and supersedes all prior communications, understandings and agreements relating to the subject matter of this License, whether oral or written.

13.2 Publisher reserves the right at its discretion to change, modify, add or remove the Terms and Conditions for this License at any time. Such changes shall be posted on Science.org, and all Licensees shall be notified of such changes. A Licensee's continued use of the Licensed Materials and Complimentary Resources following the posting and such notification of any change to these Terms and Conditions will constitute acceptance by the Subscriber of the Terms and Conditions as modified.

13.3 The Licensee may not assign or transfer its rights under this License without the express written consent of Publisher, which consent shall not unreasonably be withheld.

13.4 Any notices to be served on either of the parties by the other shall be sent by prepaid recorded delivery to the address as notified by either party to the other as its address for service of notices.

13.5 The invalidity or un-enforceability of any provision of this License shall not affect the continuation or enforceability of the remainder of this License.

13.6 Either party's waiver, or failure to require performance by the other, of any provision of this License, will not affect its full right to require such performance at any subsequent time, or be taken or held to be a waiver of the provision itself.

ANNEX A
